Comments: Some comments arising from Mr Sutton's letter in which he refers to me.

As he points points out my letter of 28/02/07 makes clear my concern regarding the development or a patio (in contrast to a maintenance strip as described in the Planning Application) and the consequent visual and sound effects.

Mr Sutton is correct in reporting my statement that Rock House Farm is a large site which affords opportunity for social and domestic activity. This statement does not propose that the agricultural land should be made use of for social and domestic activity. The role of the agricultural land is quite different to that of the land within the social and domestic curtilage.
