Dear Sirs,

RE. **Planning Application** **SMD/2018/0182**
Applicants Name **Mr John Sambrook**
Location **The Old Appleyard, Brook Lane, Endon**

I have received your letter dated 09/04/2018.

On the 18th April I met with the applicant Mr John Sambrook to inspect the application.

I whole heartedly support this application.

I consider that these proposals will considerably enhance the visual amenity of this property especially from my property "Willowbrook" which is situated in the Conservation Area.

The existing northerly facing elevation has a large wide garage door. The conversion of this garage to a study and workshop provides for the opening to be built up with door, window, and larch faced boarding. This provides an aesthetically pleasing improvement to this elevation.

The proposal for the oak framed carport having a roof covering of cedar shingles, larch feather edged boarding, as shown on the drawing, all provide for a high standard of construction entirely suited to this location.

Yours faithfully

J Anthony Clarke DipArch (Birm) Chartered Architect (Retired)
