Re: SMD/2018/0225 - Objection against Planning Application for First floor extension at 1, The Hollies, High Lane, Brown Edge, ST6 8RT

F.a.o Mr James Stannard, SMDC Case Officer

We wish to register our objection to the proposal on the basis of the visual appearance.

The area is green belt and the increased height and modifications to the roof is not in keeping with the characteristics of the traditional village type property.

The proposal is not in-proportion to the plot and we feel is detrimental to the existing building.

Regards
Mr & Mrs B Mountford
