Categories: Red Category

To Whom it May Concern,

Planning Application for a Residential Development at Pickwood Avenue (Land at), Leek (SMD/2016/0534)

In response to the above planning application the School Organisation team has the following comments:

This development falls within the catchments of Leek First School, Churnet View Middle School and Leek High School.

The development is scheduled to provide 7 dwellings. Including accounting for any demolitions, the threshold for calculating education contributions on residential developments is 10 or more dwellings, or a site greater than 0.2 hectares. Therefore no education contribution is requested for this application.

The above is based on current demographics; we would wish to be consulted on any further applications for this site.
