Hi,

Comments:

It is noted that the access road will be 5m wide.....this is suitable for a large RCV. However, the developer must ensure that the Cul de Sac is large enough and is suitable for a vehicle of up to 32 Tonnes and of approximately 11 metres in length to turn. Failure to meet these requirement would mean that the collection point for waste collection would be at the junction with the main road.

Hi,

Outline application fro six new properties off Ash Bank - cul de sac layout.

Thanks

Sarah
