Subject: RE: SMD/2016/0550 - Retention of extension to outbuilding and car park at Alton Bridge Hotel, Station Road

Afternoon,

As a non-statutory minor retrospective application, we have no comments to make.

Informative
This site is located in Flood Zone 3, which is the high risk zone and is defined for mapping purposes by the Environment Agency's Flood Zones. Flood Zone 3 refers to land where the indicative annual probability of flooding is 1 in 100 years or less from river sources (i.e. it has a 1% or greater chance of flooding in any given year).

Many thanks,

Hannah Hogan
