Hello

We have received an application for a general purpose agricultural building. Would it be possible for someone to have a look at the application please and come back to me at this email address?

This is a resubmission application which is now for a smaller building within a slightly different location within the field. Thank you for your assistance. I would be grateful if someone could come back to me by Thursday 2nd August to allow us time to issue a decision.

Thank you
Lisa
