Submission: Objection
Comments: I am the next door neighbour of the property applying for planning application 15 hillside road, Werrington. I object to the plans on a number of issues.

1. the applicant informed me that he was applying for a garage! Single storey! This application is for a garage and a bedroom! Basically an extension to the current property.

2.The application as such, means that a very high wall will run the full length of my property, leaving just the gap of my path (approx 4ft wide).

3. The rear window of this planned extension will look directly over my property, which is currently quite private. Hence my personal privacy will be encroached.

4. There is a major issue with the light! My property is currently fairly dark due to the previous owner being allowed to build up from a single story to a double story with quite a high pitched roof. I have one bathroom window on that side of the planned extension. THIS WOULD GREATLY BLOCK OUT ANY CURRENT LIGHT!

5. I feel that this planned extension would devalue the value of my property which we built, quite dramatically.I HAVE WORKED HARD ALL MY LIFE FOR THAT TO HAPPEN!

thank you in anticipation MRS Cynthia Massey
