Submission: Objection
Comments: 1. Will extension be in keeping with area. 2 Will there be restrictions on contractors vehicles this is a residential area. 3. will all contractors vehicles be parked on site. 4. where will staff park their vehicles during construction, Where will delivery vehicles park, parking is currently an issue. 5. Has a noise impact study been commissioned. 6.How will building waste be removed from site, will skips be positioned on the road.
