Barnett Ratcliffe "Proposed Landscaping Scheme" Drg. No. 1726-PL-19 Rev A shows existing trees retained, consistent with the other site/layout plans associated with the various applications covering the proposed development of this site (SMD/2015/0161, SMD/2017/0713, SMD/2018/0195). This drawing also specifies proposed new tree and shrub planting and identifies other hard and soft landscaping treatments eg grass, paving etc – this is all considered to be acceptable.

The tree protection requirements element of Condition 10 of SMD/2018/0195 has in practice been separately and acceptably addressed by the separate submission DOC/2018/0100 in relation to Conditions 10 and 11 of SMD/2017/0713.

I therefore confirm that Condition 10 of SMD/2018/0195 may be discharged.
