Comments: WHY IS BUILDING BEING CONCIDERED ON GREEN BELT AREA.

WITHIN 400METRES OF A LISTED BUILDING GRADE 2 AND IN FULL VEIW OF PUBLIC PATH WAYS AND RIGHT OF WAY.

THE proposed building would be only metres away from THE KNOT INN garden very popular as a family area during summer months , and a DEDICATED children play area.

This building would contain animal feed with the attraction of RATS. HOPE your EHO is aware of this proposal.
