Comments: Checkley Parish Council would like to support this application as this building is required for lambing and the storing of machinery.

Checkley Parish would also like it bringing to your attention and noting that as per notices placed on lamp posts that residents have 21 days to respond however the consultation period ends 19/12 and the notices only went up on 11/12. Therefore, the consultation period end date on this website is incorrect.

Regards

Checkley Parish Council
