Comments: Re: Planning application at 41, Churnet Valley Road, I object because:-

1) Creation of a new vehicular access would prove to be hazardous. The site is opposite a row of terraced houses which do not have the privilege of 'off road parking'. A line of cars are parked on the main road, most parts of the day. Full visual access is not available for cars travelling towards Cheadle. Another 'pull in/pull out' on this part of the road would be dangerous.

2) Is this not a case of a private home owner 'Garden Grabbing', with no thought for the welfare/wellbeing of surrounding householders/neighbours.
