Dear Staffordshire Moorlands District Council,

The proprietor of the land above has made an application to our club to operate a certified exempted camping and caravan site under paragraph 5 of the first schedule, Caravan Sites and Control of Development Act, 1960 and paragraph 6 of section 269 of the Public Health Act 1936.

If the council has any objection or due consideration to this application, we would be grateful if you could forward details of such objection/considerations to the **club address** above or email to admin@freedomcampingclub.org (do not respond directly to the applicants address).

If we do not receive a response by the 24th of Feb 2019, we will assume that the council has no comments and continue to process the application for exemption.

The site has previously operated as a certified site and wishes to operate under a different exempted organisation. All current exemption certificates will be returned to the respective exempted organisation on issue of an exemption certificate from our organisation.

Kind regards
Andrew Hanson (Chairperson)
Freedom Camping Club
