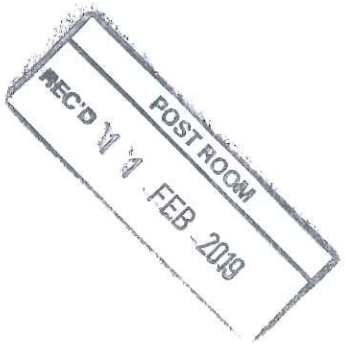
Reference – Application SMD/2018/0785

Dear Sir

With reference to the above application, although there is an existing covenant regarding lights from "Great Hough" shining onto my property, which is immediately adjacent to the site on the south west corner, my concern is for any access or maintenance lights required by the installation.

I have had a verbal confirmation from Mr Gardiner that there won't be any such lights but I wanted to raise it formally.

My position therefore is that if there are any such lights, I will oppose the application, and if there aren't any, I will support it.



Yours sincerely

Malcolm Snelson
