66 Portland Drive

Biddulph

Staffordshire

ST8 6RY

25 February 2019

Dear Sir

We would like to register our objections regarding the planning application at 18 Essex Drive Biddulph.

1) We consider light would be taken from 20 Essex Drive`
2) Visually it would be very poor from our house and will not fit in with existing properties.
3) The proposed new extension does not fit in with existing extensions on neighbouring houses. It will be a visual eyesore from across Biddulph Brook, which is where we live.
4) The proposed development is very near green belt land, i.e. the field on the opposite side of Biddulph Brook from the proposed development
5) The size of the extension means it will jut out both sideways and back from the existing property. It will not fit in with the existing houses
6) It will be completely out of character with the existing properties
7) I understand it is proposed to render the new extension and paint the walls white or cream. This will just add to the fact that the proposed extension will not fit in with the existing houses and landscape.

- For the above reasons we would respectfully urge you to refuse planning permission for the proposed development at 18 Essex Drive Biddulph

Yours sincerely

Mr. C, Fielding

Mrs.S.P.Fielding
