Dear Sir/Madam

Re Application No – DET/2019/0003

Location - Old Stables, Stile House Lane, Bradnop, Nr. Leek, ST13 7LR

Proposal - Notification for prior approval for a proposed change of use of Agricultural Building to a flexible use.

The above planning application was presented to the Councillors of Bradnop Parish at their recent meeting. There seemed to be no apparent reasons while the proposed change of use at this shed sited on Stile House Lane could not be implemented, as stated there would be no actual change to the building itself or entrance. We therefore recommend acceptance.

Yours faithfully

Sheila M. Knott
Clerk to the Council
