Dear Sir/Madam

I am against the appeal proposals as for the same reasons as given by the LPA.

Please also consider my previous objections sent to SMDC planning Department.

In addition I wish to stress the following:

This proposed development will directly overlook the rear of my house and my back garden. This will result in loss of privacy, cause noise and disturbance and reduce my quality of life.

This development is not on The Site Allocations Development Plan for Alton Village. I understand that there is already outline planning permission for other sites in the village and therefore I can see no reason for another development in Alton.

There is no longer a regular public bus either into or out of Alton village. I have to use my car to visit the local towns of Uttoxeter and Cheadle and visit friends in local villages. My car is kept in my drive and I have to access Uttoxeter Road every day. This is very difficult and dangerous. The road is often blocked with Alton Towers traffic and visibility is restricted by cars parked on the side of the road in both directions. People moving into the new development will have the same problems.

Yours faithfully
