PLANNING REF No: SMD — 2019/0202/

Dear Sir/Madam,

Re the above planning application number for the erection of a "Disabled-dwelling" within the garden of 36, PARK AVENUE CHEADLE STAFFS ST10 1LZ.

This property is a corner plott, on the junction of "Park Avenue" & "Barley Croft". It was purchased by 'Speculators' 2 years ago, & has not been lived-in since then.

I see this "Disability-dwelling" (whatever that may be?) as a ploy to over-come any planning regulations or objections that have prevented this Garden being built-on in the past. "Park Avenue" is a very busy road these days and I see another drive-way on to it, or the ajoining "Barley-Croft" would be difficult to accomodate safely, in my view.

Having said this I see new development everywhere in the area, and am left at a loss as to understand the logic behind all the rhetoric we hear about Health-& safety, environmental considerations etc etc. not to mention OVER DEVELOP

PTO — MENT.

Sincerely Yours
