Dear Planner,

Planning Portal application PP-05775731.

Demolition of existing buildings and erection of new purpose built workshop and store for Class B2 use at Churnetside Garage, Land Off Abbey Green Road, Leek, ST13 8SA

I would be very grateful if you could inform the case officer who is allocated this application that the site is normally locked and more importantly that there are a number of security dogs which roam free on the site. It would therefore be advisable on this occasion to make an appointment to undertake the site visit. Please note that even if a visit is pre-arranged I would advise the case officer to sound their horn on arrival and wait in their car until someone comes and tells them that it is safe before exiting their vehicle. I am more than happy to arrange a site visit at the officer's convenience and can be contacted on the number above.

Kind Regards

Ken Wainman
