Comments: Following a recent Management Committee meeting of Checkley Cricket Club I have been asked to contact you to notify you that all members very strongly object to Application Number SMD/2019/0136.

The committee object to this on safeguarding grounds. The building in question is directly opposite and in close proximity to the entrance of Checkley Cricket Club.

During the cricket season there can be anything up to 100 children attending the club for matches, training sessions or social events.

Their ages range from 4 years old up to 18 years old. There have been concerns raised relating to properties of a similar nature having issues with residents. The Management, coaches, volunteers and all staff take the safety of our young members very seriously and would be very alarmed if this application was allowed to proceed.

In light of this we very much hope that this application will be refused.
