Comments: I have just been made aware of this application. I have several concerns regarding it.

Should planning permission have been applied for as at the moment the dwelling is classed as C3, and would it not become a children's home requiring C2 planning, no relevant planning notice has appeared in the area

I have been on the website of the company making the application and I would be concerned that the staff are suitably trained to handle any problems that may arise . We live in a peaceful village setting and worry that the impact on the community would be detrimental.

They care for children aged 10-18, surely at 18 they are no longer children and can pose very severe and different problems

As an aside our property would be affected and we would be seeking compensation should this application be passed
