Dear Arne

PLANNING APPLICATION REFERENCE: SMD/2016/0445 – MISSION CHURCH, STANLEY

I refer to the above planning application and in particular to the pre-commencement conditions imposed on the decision notice. For the purposes of this letter I shall deal with each condition in turn.

Condition 3 – Windows & Doors
I would be grateful if you would find attached drawing 1426-05 which shows the proposed windows and doors which are based on the Residence 9 UPVC Rosewood range. The existing circular window in the end elevation, and existing doors, are to be retained and repaired as indicated. I trust these details will meet with your approval and allow you to discharge the condition.

Condition 4 – Rooflights
The applicant proposes to use a Conservation Rooflight from the Rooflight Company (CR-9). I trust these details will meet with your approval and allow you to discharge the condition.

The applicant is keen to commence works on the project, and therefore your earliest attention to this matter would be appreciated. Should you have any queries or concerns in respect of this submission please do not hesitate to contact me.

Yours sincerely

Rob Duncan
