Subject: DOC/2019/0064

Hi Gill,

I am currently dealing with the application DOC/2019/0064 in relation to the Discharge of Condition 4 concerning to SMD/2018/0703 at The Retreat, Wootton Lane, Farley. The condition set out in the original application is as follows:

4. Before the erection of any walls or posts, details of the type, colour and texture of the finishing materials for the walls and posts and also the type, colour and texture of the roofing materials shall be submitted to and approved by the Local Planning Authority and the approved materials shall be implemented in the construction of the building hereby approved.
Reason:- In the interests of the character and appearance of the Conservation Area.

Above, I have attached the details submitted in aim of discharging Condition 4. I would greatly appreciate any comments which you may have.

Kind regards,

Hannah Hollins
