Good Day,

Thank you for the opportunity to comment on this planning application. Please find our response noted below:

With Reference to the above planning application the company's observations regarding sewerage are as follows.

I can confirm that we have no objections to the proposals subject to the inclusion of the following condition:

- The development hereby permitted should not commence until drainage plans for the disposal of foul and surface water flows have been submitted to and approved by the Local Planning Authority, and
- The scheme shall be implemented in accordance with the approved details before the development is first brought into use. This is to ensure that the development is provided with a satisfactory means of drainage as well as to reduce or exacerbate a flooding problem and to minimise the risk of pollution

Please note if you wish to respond to this email please send it to net.dev.west@severntrent.co.uk where we will look to respond within 10 working days. Alternately you can call the office on 01902 793851.

If your query is regarding drainage proposals, please email to the aforementioned email address and mark for the attention of Rhiannon Thomas (Planning Liaison Technician).

Kind regards,

Asset Protection Team
Severn Trent
