Good Morning

Re: SMD/2019/0490 – Mr & Mrs Messenger, Ambleside, Consall Lane, Consall. Proposed Development: Single storey side and rear extension.

Following our Consall Parish Council meeting for the above application, Councillors concluded the following:

No objection providing there is no loss of amenity to neighbouring residential properties. i.e. loss of light to windows or gardens or reduced privacy. It was also mentioned that the gable wall is notably higher than that of the existing garage.

Kind regards
