Path (um)

Proposed Landscaping Application Ref: SMD/2019/0283

A mixture of trees will be planted to the north east of the proposed building. A mixture of Maple and Birch trees will be planted along boundary inline with the existing trees and in agreement with the neighbours at Fynneylane Farm. (Orange denotes existing trees).

Also a Hawthorn mix hedge, consisting of 60% Hawthorn, 20% Blackthorn, 10% Hazel and 10% Dog Rose will be planted inbetween the existing trees. Planted at 5 per meter in 2 staggered rows.

All transplants will be between 600mm - 900mm in height.

All transplants to be rabbit proofed with spiral-type rabbit guards with canes or Netlon mesh-type guards including canes. An area of 1.0m diameter around the base to be maintained weed free.

Any transplant which fails to flourish or dies will be removed and replaced in the next planting season within a period of 5 years.
