Categories:

At the Endon with Stanley Parish Council meeting on the 8th October, the following were discussed and comments are as follows:

SMD/2019/0580 - 27, High View Road, Endon
We recommend refusal as the extension contravenes the 45 degree rule by approximately 2.0 metres drawn from the centre of the adjoining principle lounge window of 25 Houston Avenue and would have an adverse effect on the quality of daylight and spatial awareness to the adjoining occupants.

Could you pleas acknowledge receipt of this email.
Regards

Dennis Boulton, Clerk, Endon with Stanley Parish Council
