Categories:

At the Endon with Stanley Parish Council meeting on the 8th October, the following were discussed and comments are as follows:

SMD/2019/0594.- Coltslow Farm, Stanley Moss Lane, Stockton Brook
We recommend refusal on the grounds that the drawing gives no indication of the materials to be used, but more importantly the design is extremely poor and totally inappropriate for a new dwelling in a rural setting.

Could you pleas acknowledge receipt of this email.
Regards

Dennis Boulton, Clerk, Endon with Stanley Parish Council
