SOLAR FARM

Car park with grasscrete surface

Existing sub station to be retained with easement and access

Hard areas to be resurfaced

Existing building retained and used for house-keeping and maintenance

New woodland paths . Exact locations to be determined on site to avoid tree removal and steep level changes. Refer to drawing number PL1088.4-PLA-00XX-DR-L-0006 for details

Proposed Heathland edge mix to screen views into the solar farm

Existing dam wall retained. Dimensions and location shown indicatively.

Existing woodland managed and retained

Existing ponds retained and sensitively enhanced to increase ecological value

Proposed 3m bridleway to link to the wider network of paths. Route of path to be determined on site to avoid high quality trees and to work with existing levels.
