Proposal

To replace existing EE Fascia and install Hanging sign

Existing fascia sign to be replaced by new Fascia sign superimposed with 1no. internally illuminated EE Logo. New Hanging sign to be installed to right of fascia, being non-illuminated

All signage being to EE Brand style and colours

All to specification detailed on Pearce Signs Limited drawings, sheets 1 and 2

Apart from the installation of replacement signage permission is not being sort for demolition or alterations to premises and these works will not require any physical change to the building

The policy is clear and guidelines are set with the intention of being very respectful to the properties across the Estate, a number of which are in Conservation areas or are Listed

Illumination to sites is restricted and generally only proposed where deemed appropriate
