Subject: 2017/0163

4 Gaunt Buildings, Leek
Site within the Leek Conservation Area and Grade II Listed.

The fascia sign should be externally lit if illumination is necessary – this is currently discretely sited beneath the upper edge of the shopfront. The concept of a hanging sign running directly out of the fascia would look quite contrived and harm the overall balance and symmetry of the shopfront. There is no suitable place to site a hanging sign on this shopfront.

Gill Bayliss MA (Arch Con), MA (Env Planning) IHBC RTPI
Senior Conservation Officer
Staffordshire Moorlands District Council & High Peak Borough Council
