Comments: We have no objection to the application however, the property is at a higher level than ours and this makes the existing Southern boundary fence very important with regard to screening to prevent overlooking from the new extension. The existing fence which we believe to be the responsibility of No 17 Hillswood Close is a little dilapidated in places and could do with some attention. It would give us comfort if a condition could be attached to ensure this fence is maintained in a resonable state in perpetuity.
