For the Attention of Chris Johnston

With regards to the planning application for the proposed development at 70 Stallington Road, Blythe Bridge.

Dear Sir,

We have no objection to the proposed development taking place at the above address.

As per the discussion via telephone with yourself, you have stated that the front elevation will not change and that there are only 2 of the small velux roof windows being fitted (approx. 2ft by 1 1/2 ft) in the garage roof.

Could we therefore please put in a polite request to the applicants and ask if they would kindly put in obscure glass panels in those roof windows upon fitting. Due to the nature of the room being an en-suite/changing room the obscure glass panels would be beneficial for our own privacy as much as theirs.

Kind Regards

Mrs Dee Rowlinson
