Submission: Objection
Comments: Please see my comments made on 27.04.18 on SMD/2018/0172.

This shop frontage is not suitable for the village of Werrington and for as long as they stay up I keep away. So what does this mean, it means I am not spending my money in any of the other shops along Johnstone Avenue. Just before Christmas we have lost the butchers and nail bar either side of this premises, one wonders why?
