Comments: I am very concerned about the additional traffic that will arise from this application along Stile House Lane. Essentially it is a single track road with few passing places. It is a link between the Buxton Raod side of Leek to the proposed facility and is bound to cause more traffic. We have had, on one occasion, a vehicle in a ditch on this road where they have two tried to pass.

It is a favourite route for horse riders, again additional traffic would be an added danger.
