Dear Sirs

Re: Prior approval Notification - New Track
Application on Behalf of C, C & C J Lovatt, Sprinks Farm, Dingle Lane, Rushton Spencer, Nr Macclesfield, Cheshire, SK11 0RX

This application is for a new farm track from an existing access point. The track is essential given the existing track is not suitable for modern machinery due to the width, tight corners and steep gradient. The new track will also mean that the current track, which serves adjacent residential properties, will get less use and less wear and tear.

We trust you find the proposed acceptable.

Yours sincerely
