5. Description of the Proposal

Please provide a description of the approved development as shown on the decision letter:

Proposed erection of two dwellings and new vehicle accesses

Application reference number: SMD/2016/0504 Date of decision: 23/11/2016

Please state the condition number(s) to which this application relates:
Condition number(s):

No.3 - The development hereby permitted shall not be commenced until details of types and colours of all roof tiles, facing materials, fenestration and hard surfaces have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason:-
To ensure that the external appearance of the development is satisfactory.

No.12 - No top soil is to be imported to the site until it has been tested for contamination and assessed for its suitability for the proposed development. A suitable methodology for testing this material shall be submitted to and agreed in writing by the Local Planning Authority prior to the soils being imported onto site. The methodology shall include the sampling frequency, testing schedules, criteria against which the analytical results will be assessed (as determined by the risk assessment) and source material information. The analysis shall then be carried out and validatory evidence submitted to and approved in writing by the Local Planning Authority.
Reason:-
To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors

Has the development already started? ○ Yes ◉ No
