Attention Ben Hurst

Hi Ben

I have had the owner of Hilltop house very concerned at the size and over bearing nature of this planning application as he also has a right of way from his property to the existing building,

He is most concerned as it will dwarf his property and and the noise from the door proposed will be unacceptable plus any windows overlooking his property will be very invasive but most annoying is the fact he has not been notified and just saw the notice pinned up. This is totally unacceptable as being so close he must be notified . I am sure this is an oversight but clearly needs addressing as does the right of way infringement.

Regards

County Councillor Mike Worthington
