Comments: I feel that this will add great value to leek. There isn¿t many activities for children to get involved with in leek and with not being able to drive would make a big impact on my step children¿s lives. To be able to get them out after work and at the weekend and provide them with exercise is a massive thing. There¿s lots of parking avail W bral by for people out of the area and I will definitely be somewhere I will take children too and will also recommend. I also think it will be another reason for people to come into leek and the other options for play areas indoor and poor an limited.
