Application no: SMD/2016/0582

Determined on: 9th May 2017

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
Holly House Sugar Street Rushton Spencer Staffordshire SK11 0SG

Description of Development:
Proposed erection of detached 3-bed house and a single garage.

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason:- To comply with the provisions of Section 51 of the Town and Country Planning, Planning and Compulsory Purchase Act, 2004.

2. The development hereby approved shall be carried out in strict accordance with the amended plans numbered CSD-1454 Site Location Plan, CSD-1454-02 Rev D Proposed Site Plan and CSD-1454-04A Proposed Plans and Elevations subject to the following conditions and/or modifications below:-
Reason:- For clarity and the avoidance of doubt.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

3. No development shall be commenced until details of the following have been submitted to and approved in writing by the Local Planning Authority:
• External facing materials, including hard surfacing
• Window and door details
• Eaves / verge details
• Boundary details
Development shall thereafter be undertaken in accordance with the approved details.
Reason:- In order to ensure the satisfactory appearance of the development and its relationship to adjoining properties and the surrounding area.

4. All pointing shall be of a strength and style appropriate to the type of walling material used (see Council leaflet on pointing) and shall not include 'tuck', 'strap' or 'recessed' pointing. A sample panel, at least one square metre, shall be completed on site and shall be inspected and approvedin writing by the Local Planning Authority before development commences and shall remain on site during the period of reconstruction. The development shall be carried out in accordance with the approved sample panel
Reason:- To maintain the character and integrity of the Listed Building/Conservation Area.

5. The development hereby permitted shall not be commenced until details of the existing and proposed levels across the site and relative to adjoining land, together with the finished floor levels of the proposed buildings have been submitted to and approved in writing by the Local Planning Authority. Development shall thereafter be undertaken in accordance with the approved details and prior to the development being first brought into use.
Reason:- In order to ensure the satisfactory appearance of the development and its relationship to adjoining properties.

6. No development hereby permitted shall take place until foul and surface water drainage details, incorporating sustainable drainage principles and an assessment of the hydrological and hydrogeological context of the development have been submitted to and approved in writing by the Local Planning Authority. The scheme shall subsequently be implemented in accordance with the approved details and prior to the development being first brought into use.
Reason:- To ensure that the development is provided with a satisfactory means of drainage as well as to reduce the risk of creating or exacerbating a flooding problem and to minimise the risk of pollution.

7. The garage indicated on the approved plan shall be retained for the parking of motor vehicles and cycles. It shall at no time be converted to living accommodation without the prior express permission of the Local Planning Authority
Reason:- In the interests of highway safety.

8. The development hereby permitted shall not be brought into use until the parking and turning areas for the proposed dwelling and for Holly House have been provided in

accordance with the approved plans. The parking and turning areas shall thereafter be retained unobstructed as parking and turning areas for the life of the development.
Reason:- In the interests of highway safety.

9. Before the commencement of development (including any demolition, site clearance, stripping or site establishment) a landscaping and scheme shall be submitted to and approved by the Local Planning Authority. Such a scheme shall in particular provide for suitable new hedge planting to the site frontage, and shall include full details of all new tree and shrub planting, giving specification for species, positions, planting sizes and numbers/densities of all new planting. The landscaping scheme so approved shall be fully implemented before the end of the first available dormant season (November to February inclusive) following completion of the development hereby approved. The trees and shrubs planted in accordance with this landscaping scheme shall be properly maintained for a period of 5 years following planting. Any plants which within this period are damaged, become diseased, die, are removed or otherwise fail to establish shall be replaced during the next suitable season.
Reason:- In the interests of visual amenity and to ensure that the site is appropriately landscaped.

10. Before the development hereby permitted commences the works to the external appearance of the host building known as Holly House shall be undertaken and completed unless otherwise agreed in writing by the Local Planning Authority.
Reason:- In the interests of amenity.

11. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that order with or without modification), no development as specified in Part 1 Class(es) <A><B><C><D><E><F><G> and <H> and/or Part 2 Class(es) <A><B> and <C> of that Order, other than those expressly authorised by this permission, shall be carried out without express planning permission first being obtained from the Local Planning Authority.
Reason:- To enable the Local Planning Authority to control the development and so safeguard the character and visual amenities of the area, and to ensure that adequate private open space is retained within the curtilage of the building.

12. All noisy activities shall be restricted to the following times of operations.
• 08:00 - 18:00 hours (Monday to Friday);
• 08:00 - 13:00 hours (Saturday)
• No working is permitted on Sundays or Bank Holidays.
In this instance a noisy activity is defined as any activity (for instance, but not restricted to, building construction/demolition operations, refurbishing and landscaping) which generates noise that is audible at the site boundary.
Reason:- To avoid the risk of disturbance to neighbouring dwellings from noise during unsocial hours.

13. No soil is to be imported to the site until it has been tested for contamination and assessed for its suitability for the proposed development; a suitable methodology for testing this material shall be submitted to and agreed in writing by the Local Planning Authority prior

Simon W. Baker B.Ed MBA MIMSPA

to the soils being imported onto site. The methodology shall include the sampling frequency, testing schedules, criteria against which the analytical results will be assessed (as determined by the risk assessment) and source material information. The analysis shall then be carried out and validatory evidence submitted to and approved in writing by the Local Planning Authority.
Reason:- To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors

14. In the event that contamination is found at any time when carrying out the approved development it must be reported in writing immediately to the Local Planning Authority. Development shall not re-commence further until an initial investigation and risk assessment has been completed in accordance with a scheme to be agreed in writing by the Local Planning Authority to assess the nature and extent of any contamination on the site. If the initial site risk assessment indicates that potential risks exists to any identified receptors, development shall not recommence until a detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property and the natural and historical environment has been prepared, and is subject to the approval in writing of the Local Planning Authority. The approved scheme shall then be carried out prior to the first occupation of the development.
Reason:- To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors

Informative

1. This is considered to be a sustainable form of development and so complies with the provisions of the NPPF.

2. Attention is drawn to condition < > of this approval, the effect of which is to withdraw permitted development rights in respect of development which would otherwise not require planning permission. You are advised to contact the Local Planning Authority Development Control Section telephone 01538 483550 before undertaking any other development in the future in order to ascertain whether planning permission is required.

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at buildingcontrol@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
