Comments: DEAR MR SWITHENBANK, We are writing this letter to object to the above planning application.

Under the hill is a narrow lane, used by walkers, horses, cyclists etc who come along to take in the beauty of the views of the countryside and the old stone properties here. The old corn mill has already been replaced with a modern building the last thing we need is another one. Under the hill is incorporated in the grange park walk leaving hurst road entering under the hill by the public right of way, when walking through the field looking up and see two new build properties would be very disappointing. The area in question is agricultural land in a greenbelt situated on a bad bend on the brow of a hill. Under the hill is off one of the busiest and most dangerous roads in the area woodhouse lane, there is a traffic problem most days causing people to use under the hill as a cut through it is like the M6 so residents have to park there cars on both sides of the lane to slow them down, we can not afford to have anymore properties built under the hill resulting in even more vehicles.PLEASE THINK VERY HARD ABOUT THIS APPLICATION .

Thank you Lesley Goodier
