Comments: 1. The design and access statement introduction states "This Design and Access statement accompanies a planning application for a proposed entrance and office extension on the site at St. Edwards Academy in Leek" - Which it doesn't.

2. The application, states that there is no impact on parking, while presumably not a formal parking area it is regularly used for parking by users of the adjacent sports fields (or at least was prior to COVID-19)

3. Can details of intended times of use be provided - is it normal school hours ?

4. Given the building is to be a dance studio, are there any provisions in the design to minimise noise pollution, e.g. sound-proofing, sealed windows/air conditioning ?
