Comments: Exactly where is the sewage going to go from these properties? You as planning officers have caused massive flooding problems in this Village, not Severn Trent but but you as supposedly professionals!!

All these houses in nearly every back yard you¿ve allowed over the years, when have you increased the sewage capacity? Never.

This is a video what we have to put up to thanks to you lot sitting in your office.

What I do want is answers to why you have allowed all this building without increasing the sewers.

I¿ve lived here for 50 years and it¿s got worse, year on year thanks to you lot.

I want answers now.
