Comments: This is the second of two planning applications in close proximity. The latest in a series of adhoc expansions to the school. I would like to suggest that a more strategic approach is adopted incorporating both the Dance Studio and this space in a single provision. This should consider the potential for further expansion of the school if required in the future. One possible option would be to expand towards Leek, making use of the area previously used as playing fields and facing Westwood First school.
