Submission: Objection
Comments: Checkley Parish Council would like to object to this planning application as per minute reference 0517/9C (May 2017).

The Parish Council have several concerns and questions with regards to this application. Firstly, is the parking for the church or the village? Also with regards to the parking there doesn't seem to be much and the Council feel that the couple of spaces left over to accommodate "the church" will soon be taken by the residents additional cars or visitors.

The Council are also concerned that this development is cramped resulting in insufficient access for refuge lorries. The Council also request more details in the application including if the use of Hollington stone is considered as to keep the aesthetic of the village.

Regards

Siân Morgan-Owen

Parish Clerk on behalf of Checkley Parish Council
