Blythe Bridge.

Dear Sir,

I am concerned about the proposed change of use at the Furlongs Cheadle Road. I am very concerned that a group of teenagers with challenging behaviour are going to be living next door to me. It is a quiet residential area, is there going to be disruption with noise and comings and goings? As a seniour citizen on my own I am very worried by the fact that a raised bed has been construced behind my fence which gives easy access to my garden. I do not feel that the property is very secure for such a residence.My privacy and feeling of safety could be destroyed by any anti - social behaviour. I therefore object to the proposal.

Yours sincerely, Mrs Pauline Sibbring.
