Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990

Discharge of condition 6 in relation to SMD/2017/0512
Land South East Of A521 A50 Blythe Bridge Bye Pass Blythe Bridge Staffordshire

Further to your discharge of conditions application as detailed above I can confirm that no objection has been received from the Council's Environmental Health officer and on that basis the condition in question is hereby formally discharged.

However, with regard to the temporary off-site construction working hours I would ask that disruption is kept down to a minimum and that the developer adopts best practical means (as outlined in the plan) to mitigate the impacts (notably from noise and light).

I trust that the above is of assistance

Yours faithfully

X B.J. Haywood
