Application no: NMA/2020/0008

Determined on: 22nd May 2020

Town and Country Planning Act 1990 (as amended)

NON MATERIAL AMENDMENT TO THE PLANNING PERMISSION SMD/2019/0747

Location of Development:
16 Sneyd Close, Cheddleton, Staffordshire, ST13 7JR

Description of Proposal:
This 'change' to the planning permission is to allow the enlargement to extend an additional 950mm from the dwelling's rear elevation to make the total depth 3950mm rather than 3000mm to accord with revised drawing numbered 135/60/01A that was submitted with this application.

In pursuance of its powers at s.96A under the above Act, the Council hereby **Approves** the non material change to the planning permission SMD/2019/0747 that is described above.

This notification of approval is not a planning permission in its own right and the development must only be carried out in accordance with the 'change' that is described above and in all other respects the description of development, the attached conditions, and referenced plans that are all relevant to the existing planning permission SMD/2019/0747 granted for development on the 4th February 2020.
