Submission: Objection
Comments: I would like to object to the planning application due to the following reasons:

1. Our house (51 The Avenue) would be severely overlooked and we would lose our privacy both inside and outside due to how close the properties will be to our house and garden.

2. It will definitely over develop the area and there would be far too many buildings in such close proximity to each other.

3. The development itself would generate lots of environmental pollution and disturbance from noise and dust etc. This would impact our house and lives massively as one of the developments is situated right outside of our back garden.
